The Honorable Francis E. Walter
House of Representatives
Washington 25, D. C.

Dear Francis:

Thank you for your letter of 11 March 1959 regarding

_____ was interviewed in our personnel office on 11 March, at which time he reviewed his qualifications and employment interests. His present proficiency in Chinese is not sufficient to qualify him for a linguist position; he did mention that he planned to take additional courses in Chinese after he leaves the service and which might later qualify him for such an assignment. We will, of course, be glad to reconsider his application at that time in light of any existing vacancies.

Your interest in [redacted] is appreciated and we shall advise you of the outcome of his application.

Sincerely,

Dear Mr. Walter:

25X1

25X1 Thank you for your letter of 11 March 1959 regardin [redacted]

25X1 [redacted] was interviewed in our personnel office on 11 March at which time he reviewed his qualifications and employment interests. His present proficiency in Chinese is not sufficient to qualify him for a linguist position; he did mention that he planned to take additional courses in Chinese after he leaves the service and might later qualify for such assignment. He expressed primary interest in an operational assignment and was advised that we had no suitable vacancy for which he could be considered and he did not complete formal application papers.

25X1

We would be glad to consider [redacted] application for other positions for which he might be qualified which are not so closely related to the interests he expressed during his interview, and shall invite him to return for additional interviews to explore such possibilities.

25X1 Your interest in [redacted] is appreciated and we shall advise you of the outcome of his application.

25X1

Sincerely,

Allen W. Dulles
